Attention High School Students:

You are invited to apply for the NANPA High School Scholarship Program. Deadline is January 31, 2020.

NANPA High School Scholarship Program

This special photography program is open to ten high school students who are interested in nature and nature photography. Combining classroom and field-based instruction, students will have the chance to improve their nature photography skills, learn about NANPA, meet industry professionals, and gain an appreciation of the Smoky Mountains’ rich natural history.

Program Highlights

- Photography Field Trips
- Biodiversity Education
- Classroom Instruction
- Group Project
- Pro for the Day

Eligibility

Applicants must be between ages 14 and 19 during the program dates of July 6-11, 2020 and must be rising sophomores, juniors, or seniors in high school, or having just recently graduated high school in 2020. Student recipients are responsible for a $175 registration fee and their transportation to the Great Smoky Mountains Institute at Tremont, TN. One letter of recommendation and ten (10) photographic images are required for the application process.

To Apply

Applications must be submitted online by January 31, 2020. To start the application process, go to http://nanpafoundation.org/high-school-scholarships/

Scholarships funded by the:

North American Nature Photography Association | www.nanpa.org | Kathy Lichtendahl, program coordinator, info@nanpa.org
